Notwithstanding anything contained herein to the contrary, it is understood that we have not agreed to the value of the items shown in the Schedule above, and in the event a claim is made for loss of or damage to any of the scheduled property, the onus of proving the value of any item for which a claim is made shall be upon you. However, under no circumstances shall any recovery you make for loss of or damage to any insured item exceed the amount set beside that item in the Schedule.

It is warranted as a condition precedent to your making any recovery hereunder for loss of or damage to the insured property that presentation of satisfactory proof of value and ownership shall have been made to and accepted by us.

All other terms and conditions remain the same.
